Recall Details

Units: About 9,200 in the U.S. and 480 in Canada

Description: This recall involves Sterling Rope's sewn cord ropes which include the 8mm Aztek (AZ) Sewn Bound Loop Prusik, Aztek (AZ) Elite 8mm Edge Restraint, 8mm PER Sewn Eye and the 8mm Accessory Cord Sewn Eye. Sterling Rope products have the production lot number in two places. The product number and lot number is printed on the barcode label attached to the Care, Use and Retirement document, which comes with every product. The lot number is also printed on the shrink tube label on the sewn portion of the Prusik, edge restraint, or sewn eye. All ropes except for the solid black products have a wrapping dotted line design around the rope. Specific recalled colors are listed next to each recalled product description.

How to Return or Exchange a Recalled Product

Products ordered in the USA:

Customers have two options for returning or exchanging these recalled products:

- Return the product to the Authorized Sterling Dealer where you made the purchase. They will accept the product and provide you a replacement of equal or lesser value, or place an order for you if the item is not currently in stock.
- Contact Sterling Rope directly and obtain a Return Authorization Number (RA#). You can contact us by email at returns@sterlingrope.com or via phone at 800-788-7673 and we will send you a call tag to ship the product back to us at no charge. Once we receive the recalled product, we will ship you a replacement of equal or lesser value at our expense.

Products ordered outside the USA:

Customers can contact Sterling Rope at 207-282-2550 or returns@sterlingrope.com and we will coordinate the product exchange with the distributor in your country.
